

ONE DAY BARRAMUNDI TRIP BILLABONG OR SALTWATER FROM \$275 PER PERSON

Our operators give you the opportunity to fish Australia's best location to catch the mighty Barramundi, Australia's finest sports fish and a dream for many anglers.

To feel the savage strike on the end of your line and then watch the spectacle of the Barra jumping under the warm sunshine of the Northern Territory is an experience not to be missed.

All trips include a 5:00am pick up and return to your accommodation at approximately 5:00pm, top quality tackle, custom-built Barra boats, lunches and soft drinks. All you need to bring along is a hat, sunglasses and a camera to capture the memorable moment. Tackle is usually on a replace if lost basis.

The Barra Calendar

December to February: The wet season, rain, rain, rain and more rain! Not the time to head up there so check before heading north.

March to May: The run off time and the prime Barra season as the Barra feast on the food washed off the flood plains. Book early, this time sells out fast!

June to July: The dry season and the fish go deeper and the fishing is slower but with patience, deep diving lures will produce some good results.

August to November: As the weather warms up so do the Barra, coming up the rivers to breed. Another prime time and you will need to book early for this one.
