We will put you on the right boat, in the right place, at the right time to give you a trip you will never forget!

Corporate Fishing Charters staff member's have had an exciting month.

Gordon Howlett celebrated his birthday in Melbourne this year by sitting back with close friends and family enjoying a drink to welcome Gordon into his 53rd year, it was a day enjoyed by all.

The priceless moment of the day would be three generations of Howlett's all in the one room, for the one man, and a moment treasured forever for Gordon Howlett.

On a more romantic note Jay Muzzi and partner Dave Austin celebrated their engagement over the weekend. Relatives from interstate travelled to Melbourne to share in the excitement and celebrations. It was a fantastic night to be a part of. Gordon and I would like to wish Jay and Dave all the best and congratulate them on their engagement and we look forward to the wedding in paradise!

Your Regular Fishing Updates Right through the season!

Westernport- Fishing in Bass Strait is still alive and kicking, last Sunday a 5.5kg Snapper was reeled aboard. In the Bay the fish are still biting even though the water is getting colder they are still catching a few fish!

Mornington- Although the snapper have all gone the reefs are still full of action with whitening, Leather Jackets and Gummy Shark

Flinders Island- Well what a season these guys are having action packed and well worth you while going to see for yourself. Just last weekend they pulled in a catch and what a catch, a 150kg plus Blue Fin Tuna and it has been reported that they are expecting more Blue Fin Tuna throughout winter! That's great news for you all year round anglers. Flinders Island has also been pulling in Yellow Fin at 45kg and good size snapper at 9.5kg, it must be the great weather.
