The MV Sydney 2000 was the most exciting vessel to be launched on Sydney Harbour in quite a while. This vessel is the largest a la carte dining and sightseeing vessel ever built. Although built to host the Sydney 2000 Olympic Games, the MV Sydney 2000 is now known as the most luxurious way to dine on Sydney Harbour.

The three unique decks (Sky Deck, Club Deck and Show Deck) all signify different and independent restaurants/entertaining facilities and this boat also has the capability of hosting 5 private functions simultaneously. The MV Sydney 2000 cruises daily for both lunch and dinner and the 5 private dining rooms are more than enough to satisfy any corporate need.

All decks offer panoramic viewing windows, covered outdoor areas and access to the 360degree open Star Deck. This is an opportunity to see one of the most beautiful cities in the world from its epicenter. Please contact Corporate Fishing Charters for a brochure on all that is offered aboard the MV Sydney 2000.
