Fishing at Arnhemland:

This remote and exclusive area offers outstanding barramundi and sportsfishing safaris from March to December. As part of our arrangement with Bawinanga Aboriginal Corporation, you will have unfettered and exclusive access to 5 pristine Arnhemland rivers, several coastal creeks and estuaries and magnificent inland lagoons. You will primarily target the famous Barramundi but you will most likely encounter a number of other saltwater species such as Threadfin & Blue Salmon, Mangrove Jack, Golden Snapper, Coral Trout, Queenfish, Spanish Mackerel, Long Tail Tuna and Cobia. There will also be a chance to fish for freshwater Barra, Tarpon and Saratoga.
