

BLUEWATER FISHING

Bynoe Harbour

Bynoe Harbour is located west of Darwin and is approximately a 1.5 hour drive from Darwin. Bynoe Harbour has some great reefs, islands and headlands to experience some fast action Bluewater Fishing. Target species that can all be caught on light tackle and reef fish can produce some good jewfish and golden snapper. Some of the fish you will be targeting include Spanish Mackerel, Queenfish, Trevally, Tuna, Cobia and Barracuda.

Season Wise: The best time to do this trip is between May and November

You will be picked up from your accommodation at 5:00am and transferred in an air-conditioned Landcruiser to Bynoe Harbour.

After a full day's fishing you will be transported back to your accommodation by approximately 5:00pm.

INCLUDED:

- Transfers in a luxury four wheel drive
 - All tackle requirements supplied, including top quality rods and reels
 - Lunch, light refreshments and cold drinks
 - Top quality guided fishing with one of the Territory's leading guides
- Cost: \$275.00 per person for a full day fishing
