Rarotonga is one of 15 islands in the Cook Islands group and not only does it offer some fantastic game fishing opportunities, it is also the main island of the group. Your skipper, Wayne Barclay, is an annex-New Zealander who has been fishing the waters of Rarotonga for 20 years and he has proven his talent as a skipper through his success in multiple local and international fishing competitions. You will be fishing on board Reel Time, a custom design fishing vessel with quality Shimano and Penn fishing gear to give you the best opportunity to land those dream fish. It doesn't matter whether you are a beginner or an advanced angler, Wayne will provide you with years of experience to give you the most memorable game fishing experience of your lifetime! After a long day's fishing what better way to top it off than to relax in your Deluxe Beachfront Suit on the balcony which overlooks the beach and beautiful ocean! You can join the festivities in the dining area where a local band plays 3 night's a week or you can head into town and experience the local night life at one of the many bars and restaurants which offer fantastic cultural nights of food, alcohol and dancing! This is the perfect combination of fishing and holidaying!!!
