4 Night/3 Day Fish Fiji Escape

With over 330 unspoilt islands in the Tropical South Pacific, Fiji provides an ideal destination for a large variety of fishing. With its estuary, reef systems, deep water and many sea mounts the type and style of fishing you tackle is completely up to you!

The Crows Nest Resort is an intimate property located in the heart of the Coral Coast on Fiji's Sunset Strip. The resort has recently undergone extensive upgrades and still maintains it's nautical origins. When you check into Crows Nest, you are not just checking into another resort, instead you will experience the spacious villa which are named and decorated in tribute to the ships which shaped Fiji's history.

Our operator has 23-25ft boats suitable for up to 4 anglers and to be sure, you will be having two full on days as he hates not finding fish fast! Live baiting as well as lures are used on his quality gear as you work the reefs, sea mounts and FAD's. Recent clients have caught GT's up to 35kg, not to mention Yellowfin and Sailfish!

This escape packages includes 4 nights accommodation at Crow's Nest Resort, airport transfers, 2 full days game fishing with one of the best operators on the Coral Coast and all for only \$1135 per person (ex Nadi).

Non-Fishing Packages are also available
