

Top End Extended Lodge Stay Safaris

The actual destination of these vary according to the time of year so that the operator can put you where the best fishing is at the time of year. The fishing also varies. You will be collected from your accommodation in Darwin in air-conditioned 4WD's and transferred to your destination which includes:

- Shady Camp
- Kakadu
- Point Stuart Wilderness Lodge and;
- Frontier Kakadu Village

At this time of year you are fishing the run off for the mighty Barramundi in our custom built, over 6 metre fishing boats with the top guides and gear. This is the time that the big fish are caught and cricket score catches are taken. You will fish hard all day before returning to the comfort of your lodge to rest up for the next day. At Shady Camp you will fish the Mary River covering such areas as the future 'S Bends,' Tommycat Creek and of course the mouth. Kakadu locations are limited to operators on a permit basis and as such sees less traffic on the waters of the South and East Alligator Rivers. From May-September you will be at the Dundee Beach and Beachfront Lodge which is located 1.5km West of Darwin. This location provides the best of both worlds: Great Barra fishing in the Finnis River and bluewater hotspots for Mackerel, Queenfish, Trevally and Tuna along with reef fishing for Jewfish and Snapper to name a few. Accommodation is quality with options of 4 or 8 people max and Mud Crabs are always on the menu.

Average Length of Trips: 3-6 Days
Cost: Shady Camp - \$435pp per day
Kakadu - \$650pp per day
Dundee Beach - \$610pp per day
These prices include all transfers, fishing, accommodation and meals.
