# Shangri-La's Fijian Luxury Family Getaway

Why not escape for a few days to a luxury 4 star resort on Fiji's Coral Coast with everything a Fijian resort has to offer? This package includes 7 nights accommodation in a Lagoon View Room at Shangri-La's Fijian Resort, return airport/hotel sea-in-coach transfers, buffet breakfast daily for two, two children under 12 stay and eat from the kids menu for free (if staying in room with parents) and free use of non-motorized sports. This wonderful package includes 7 nights accommodation for the price of 5 and all for a cost of only \$849.00 per person (excluding airfares). This is 4 star luxury at the best rate you can find so don't miss out!

The resort operates a Blackwatch 34' in top condition and at \$270 for a 2 hour sole charter this offers a great family experience to chase game fish. The fishing grounds are minutes from the jetty and on most trips you will be fighting a pelagic from the game chair or using standing up gear. As a first game fishing experience for the kids, this is certainly worthwhile. For those keen on some serious game fishing, take a 6-8 hour trip and head out to the seamounts. Who knows what will come up...! A recent trip to the seamounts by a journalist was strongly rewarded with a 40kg Yellowfin!

The resort also has plenty of activities as one would expect and has a second side of the island for those not wishing to be away from families.
