

# 4 Night/4 Day Coral Coast Fiji Escape

With over 330 unspoilt islands in the Tropical South Pacific, Fiji provides an ideal destination for a large variety of fishing. With its estuary, reef systems, deep water and many sea mounts the type and style of fishing you tackle is completely up to you!

Mango Bay Resort was opened in December 2005 and offers a wide range of accommodations from beachfront bures, to African style safari tents and even dorm accommodation. The resort features a pool, a bar, a restaurant, spa facilities and a wide range of watersports in addition to fishing. This is a great fun place to stay in a relaxed atmosphere which is perfect for fishermen traveling alone or in groups.

Our operator has a 28ft Islander (locally built boat) suitable for 4 anglers and to be sure, you will be having two full on days as he hates not finding fish fast! Live baiting as well as lures are used on his quality gear as you work the reefs, seamounts and FAD's. Recent clients have caught GT's up to 35kg, not to mention Yellowfin and Sailfish!

This escape packages includes return international airfares, domestic transfers, 3 nights safari tent accommodation at Mango Bay Resort, 2.5 days fishing with one of the best operators on the Coral Coast and all for only \$1733 per person (ex Melbourne). Costing is based on 4 anglers.
