This is a trip to Flinders Island which is becoming increasingly popular, it has spawned from the Flinders Island Annual Weekend into a 4 day event which includes 2 full days fishing. This package gives you a real taste of what Flinders Island is all about without blowing the budget. On your arrival into Flinders Island you are met at the airport by your host and transferred to your accommodation for a free and relaxing afternoon. It is common for many anglers to bring a small amount of their own gear and head off to the jetty to try their luck for Trevally or Squid while others like to spend the day by hiring a car and exploring the island's great beach & rock fishing or just exploring the sights. 2 full days fishing follows which will have you practically jumping with joy at the species of fish you will be catching. Extensions can also be arranged for anyone wishing to stay longer...
