

GT Adventure

Giant Trevally Fishing Lodge

Based 1 and a half hours north of Nadi, this easily accessible lodge provides a perfect stepping off point for some amazing sportsfishing. Your host Jim Seirs will have you casting poppers over the reefs and bombies that are home to these awesome fish. The lodge is twin share and can accommodate up to 6 anglers in comfort. All meals are provided as part of the package also.

Each day you will jump on board Jim's 34ft custom built craft using only the best gear including Shimano Stella 10,000 Reels and poppers that are either imported from Japan or home made based on Jim's many years of experience.

You will be targeting GT's and many will come in at the 10kg mark but there are bigger ones to be attempted. The ones up to 25kg give you little chance but good luck in trying to land those up to 50kg...

IT CAN BE DONE!

The cost of this wonderfully exciting adventure is based on 4 anglers and is \$1350 per day included fully guided fishing and the use of top quality gear.

There is also a live aboard option for this property which is also based on the attendance of 4 anglers. The cost of this option is only \$1520 per day which includes all bait, tackle, gear and meals whilst on board.

Those GT's are waiting so don't miss this one!
