

# GIANT TREVALLY FISHING LODGE

Based 1 ½ hours North of Nadi, this easy accessible lodge provides a perfect stepping off point for some amazing sportsfishing. Your host Jim Siers will have you casting poppers up to 100 meters over reefs and bombies that are home to these awesome fish. The lodge is twin share and can accommodate up to 6 anglers in comfort. All meals are provided as part of the package.

Each day you will fish on board Jim's 34ft custom built boat or the 28ft Islander utilising only the best

gear including Shimano Stella 10,000 reels and poppers that are either imported from Japan or home made based on Jim's many years of experience.

You will be targeting GT's and many will come in at the 10kg mark but there are bigger ones to be attempted. The ones up to 25kg give you a little chance but good luck in trying to land those up to 50kg...

**IT CAN BE DONE!**

**Daytrips, extended packages or even overnight trips can be arranged.**
