

Kamari

Port Douglas/Cairns/Lizard Island

COST

**Light Tackle
\$1850 (Boat)**

**Heavy Tackle
\$2800 (Boat)**

Min 4-Max 6 Anglers

Kamari was built in 1987, her construction is of sheathed timber epoxy composite and her overall length 40'. Kamari was purpose built to catch the big marlin who frequent the tropical waters off Cairns and Lizard island. These have become familiar grounds for her in which she has proved herself to be a fine sea-going vessel with efficient fuel consumption, perfect for these isolated fishing grounds.

Kamari boasts a very comfortable and roomy interior making her a superb live aboard for up to 4 guests/6 day charters. Scrumptious feasts of freshly caught fare and good company complete the experience. Skipped by John White & an experienced crew, Kamari can be chartered for fishing, diving and other activities from her home base of Port Douglas. Mid January sees Kamari heading south to Sydney as she endeavours to chase black, blue and striped marlin. Day trips, live aboard, tournament charters and a wide variety of other activities are fully catered for.

The light tackle fishing is full on! Giant Trevally, oversize Wahoo, Spanish Mackerel and Yellow Fin Tuna. Bottom fishing is prolific, beautiful big Red Emperors and Coral Trouts later to appear on the dinner table!

Live on board and extended charters are available at a discount rate, prices are available on application.
