This is your chance to be at one with Mother Nature, a profusion of living colours and contrasts teeming with aboriginal history and ancient art forms. Look in awe to the dazzling sunsets, the sweeping vistas of distant mountains as they pierce the azure blue sky. Walk from the depths of a tropical rain forest into a parched desert landscape. Lie on the pristine beaches or bathe in the turquoise waters. Witness the mighty rivers carve their course, the concert of cascading waterfalls, the crystal clear rock pools. This is a place of secrets where birds flutter in shameless abandon and man becomes a guest in his environment, humbled by the untamed world about him.

Oceaneer is fully equipped with air conditioning and a large range of fishing gear is supplied to tackle this fishing paradise. Add to this a very experienced crew and you are in for a fishing holiday to be remembered for life!

Kimberley tours either depart from Broome, Truscott or Wyndham depending on which leg of the journey you want to be a part of.
