WANT BIG BARRA? Then this is the place to be! Don't waste your time ongoing down the Mary River each day... Stay on board this 72ft vessel 'Cape Adieu' in air conditioned comfort right on the mouth where all the action is. Fish the best times of the day and for lunch instead of sitting in the sun waiting for the fish to come back on the bite, head back to the mothership.

Each day you will fish on board a 6.5 or 7.2 meter custom built sport fishing boat with your personal guide (who is among the best in the Territory). Quality rods, reels and fully insured tackle is supplied for your fishing and if you want a change, opt for some Jewfish and Snapper fishing when you are worn out from catching all those Big Barra! Timing is crucial and the best times are between March and April and the best tides are always booked our first. Contact us ASAP to register your interest for 2006 dates. Maximum numbers are 8 anglers at one time and we are happy to book individuals.
