Its features include all safety gear, modern fish finding and other technical equipment and a flushing toilet. Licensed to carry 20 anglers for up to 5 hours. Longer than 5 hours only permits 16 passengers.

Within Westernport your skipper chases Snapper, Whiting, Gummy Sharks and Flathead between September and February when he turns his attention to the Elephant Shark until late April.

In the warmer months shark fishing in Bass Strait proves to be very successful targeting Mako, Threshers, Blue Sharks and the occasional Bronze Whaler.

All bait, tackle and rods are provided on both vessels along with tea coffee and a sausage sizzle.
