**Half Day:**  
**\$AUD750**

For first 6 passengers

**Full Day:**  
**\$AUD1400**

For first 6 passengers

Additional passengers  
charged at \$50pp

“Synergy” is a 10 meter Kevlar Cat which has been specially fitted out with everything an angler could want for a day’s reef or game fishing in Fijian waters including top of the line Shimano gear. This vessel operates predominately in conjunction with the Sofitel Fiji Resort & Spa and is based in the near-by Denaru Marina, but it can also collect you from your Mamanuca or Yasawa Island Resort for a days fishing.

“Synergy” is available for half or full day private charters which include light catering, use of all gear, bait and tackle. A half day private charter will have you fishing the Mamanuca Islands for the variety of species they are known to hold whereas a full day private charter will give you the opportunity to head to the northern Yasawa Islands to chase the bigger reef and game species such as Blue Marlin, Yellowfin & Dogtooth Tuna, Wahoo and Mahi Mahi.

The vessel is licensed to carry up to 14 passengers but for reef fishing we recommend a maximum of 10 anglers and a maximum of 6 anglers for game fishing. If you need a break from your fishing day, there is also snorkelling equipment available for the exclusive use of “Synergy’s” passengers.

This vessel will give you the best chance to explore the Mamanuca and Yasawa Islands and catch some great fish while doing so. With this level of equipment and staff that have been trained by both Paul Worsteling and Lee Rayner of television’s Ifish, you can’t go wrong! Be sure to book quickly as this boat can book out quite heavily.
